### **NOTICE REGARDING INTERNSHIP FOR BLIS AND MLIS PROGRAMMES**

Dear Learner,

BLIS and MLIS aim to produce professionals who can be appointed in libraries and information centres in junior and middle-level positions, respectively. With time and after gaining experience, they move further up in position. They can also be self-employed, providing information-based services and products, or even open their own start-ups. Students can be introduced and exposed to work culture, routines and practices by placing them as interns in different working environments. Internship has also been stressed in the New Education Policy 2020. The policy also directs to have a component of practical in all the courses. In view of this IGNOU has added Internship as integral component of BLIS and MLIS Programme from July 2022 Session.

Internship will expose the students to translating their learning into work/job and also consolidate their practical learning in the LIS School by doing it during the Internship for providing services and designing information products.

IGNOU RC Darbhanga has identified three centre for the Internship of BLIS and MLIS Programme:

1. **IGNOU SC-0504, B.R.A. Bihar University Muzaffarpur**
2. **IGNOU SC-0522, C.M. College Darbhanga**
3. **IGNOU SC-0551, Samastipur College Samastipur**

The Internship will tentatively proposed from 1<sup>st</sup> February 2022. Learners of BLIS/MLIS programme are advised to contact respective centres for more details.
